## AND, IF YOU ARE INTERESTED ...

Yes, I'd like to volunteer for the Women's Commission in 2008!

\_\_\_\_\_ **Camps & Clinics Committee:** You may see a women's only clinic in your city soon, thanks to the efforts of those involved in the camps and clinics committee. This is basically a support group for people putting on clinics. Already a number of women have set dates for clinics and camps across the country. Any money raised from the breakfast goes to support camps and clinics around the country.

\_\_\_\_\_ **Special Events Committee:** This committee organizes the Women's Breakfast at Age Group Nationals. The committee will also help host a gathering at World's.

\_\_\_\_\_ **Membership & Danskin Committee:** The Women's Commission wants to expand the female USAT membership. To do this, the membership committee is holding discussions at various camps about the benefits of USAT, including a presence at the Danskin series races to encourage membership in USAT. Other women are giving lectures about women in our sport and the advantages of being a member of USAT.

\_\_\_\_\_ **Website and Articles Committee:** The website has taken on a new look and is filled with valuable information. There's also a special section for women triathletes to share their stories about the latest races, training programs and personal experiences. Check it out at [www.usatwomen.com](http://www.usatwomen.com).

\_\_\_\_\_ Please add me to the Women's Commission email group.
